Case No. 1:20-cr-00024-001

DECLARATION OF HON LAM LUK IN SUPPORT OF MOTION FOR MODIFICATION OF SENTENCE

I, Hon Lam Luk declares:

1. I pleaded guilty to a criminal information charging me with Conspiracy to Distribute a controlled substance in violation of 21 U.S.C. § 846, 841(a)(1). On July 21, 2020 I the Court sentenced me to 46 months imprisonment, followed by 3 years of supervised release. In imposing that sentence the Court acknowledged that I would be eligible to participate in RDAP and earn time off resulting in earlier release by one year.

2. As the first person in this matter as a whole to be sentenced, my attorney provided no basis for the Court to support the unwarranted disparity that would be created either nationally or in the matter.

3. Prior to sentencing my lawyer told me the judge's hands are tied and she cannot sentence me below the government's recommended guideline range and the low end of the guideline would be the best outcome giving me the best day in court. While it is acknowledged he failed a 2 page memorandum for me, he simply stated "we seek a sentence of 46 months" which he never discussed with me prior to making such a representation. There was no "we," he decided to take such a position.

4. As shown on the Chart attached to this declaration and labeled 'DX1' identifies my co-defendants, their Criminal History Category, Base Offense level, final offense level and sentenced imposed.

5. For me as shown on the Chart, id., I started as a base offense level 32, whereas my co-defendants started at a base offense level of 34 and inexplicably the received the same sentence as I did even though they had a larger indispensable role in the offense.

5. The Government has made various representations to the Court in it's filings in each of the co-defendant's cases in Sentencing Position Memorandums that I was "not the most culpable individual," "was not connected to source of supplier," "did not have a propriety stake," "did [not] pay other individuals involved for their work," and "role was similar to Lien Kim Thi Pham."

6. The individuals who started as base offense level 34 were investors and were indispensable individuals, they were investors and paid other individuals, yet they received the same sentence as me.

7. While the Government acknowledges that my role was similar to Lien Kim Thi Phan I was not sentence as such. I recognize that I am not the least culpable in the conspiracy like my wife Duong Thi Nguyen. It should be recognized that Phan was the one who instructed me and I passed those instructions to others. I had no share in the darkweb, not withstanding that I was paid a flat rate for my participation.

8. As mentioned, when I was sentenced the took into account that I would be able to participate in RDAP to get help and that I would be eligible for a one year reduction. However, when I arrived in the BOP, because of arbitrary criteria utilized by the institution, they refused to allow me to participate even though I believe I meet the criteria.

9. Since my arrival in the BOP, I have maintained clear conduct, have been suffering anxiety and stress of 23 hour lockdowns as a result of COVID and rolling solitary like confinement as a result of the prison camp having outbreaks of COVID 19.

10. Thus far, I have attempted to participate in self-study courses including the drug education program and national parenting class.

11. I have 2 young sons, one is in the United States and one in vietnam, who both are desperately in need of my support. Since my incarceration, it has been a financial disaster for my family. My father had to come out of retirement and work 3 jobs at the age of 70 because my mother has to say home to take care of my young son and given the COVID pandemic, their income is very unstable.

12. I am asking the Court to reduce me sentence to time served or alternatively, modify my sentence to a 'special term' of supervised release for the remainder of my sentence. Prior to my offense, I had regular employment and can pursue legitimate professional ends to support myself and family.

I declare the foregoing to be true and correct under penalty of perjury pursuant to 28 U.S.C. § 1746.

Part A- INMATE REQUEST I am requesting compassionate release / modification of my sentence based on the current conditions of confinement, the COVID-19 pandemic and the sentencing disparity between my sentence and my co-defendants. Had my attorney argued the issue I would have received a less harsh sentence.

My release plan is documented in my inmate central.

Part B- Response

ADMINISTRATIVE REMEDY RESPONSE

This is in response to your Request for Administrative Remedy received March 9, 2021, wherein you request a Compassionate Release due to the COVID-19 pandemic. You also challenge the appropriateness of your sentence.

Per Program Statement 5050.50, Compassionate Release/Reduction in Sentence, 5050.50, an inmate may initiate a request for consideration under 18 U.S.C. 4205(g) or 3582(c) (1) (A) only when there are particularly extraordinary or compelling circumstances which could not reasonably have been foreseen by the court at the time of sentencing. An inmate's request shall at a minimum contain the following information: (1) The extraordinary or compelling circumstances that the inmate believes warrant consideration. (2) Proposed release plans, including where the inmate will reside, how the inmate will support himself/herself, and, if the basis for the request involves the inmate's health, information on where the inmate will receive medical treatment, and how the inmate will pay for such treatment.

A review of this matter revealed you do not meet the criteria for a Compassionate Release.

The BOP is taking extraordinary measures to contain the spread of COVID-19 and treat any affected inmates. We recognize that you, like all of us, have legitimate concerns and fears about the spread and effects of the virus. However, your concern about being potentially exposed to, or possibly contracting, COVID-19 does not currently warrant an early release from your sentence.

Additionally, challenges to the validity or appropriateness of a sentence are outside the BOP's authority to address under the First Step Act or otherwise. Accordingly, your request for a Reduction in Sentence is denied.

If you are dissatisfied with this response, you may appeal to the Regional Director, United States Federal Bureau of Prisons, Northeast Regional Office, United States Customs House - Seventh Floor, Second and Chestnut Streets, Philadelphia, PA 19106, within twenty (20) calendar days from the date of this response.

*Hon Luk took directions from Phan. Phan was the individual who brought all the materials to his house that was recovered by law enforcement.

In the case of Son Nguyen, Trieu Nguyen Hoang, the Court granted a 52.87% departure from the low-end of the guidelines (87 months) or 41 months. In Luk's case with a low end guideline of 70 months, he was only given a 24 month departure. This represents a significant disparity given that his base offense level and guideline was lower than the investors in the case. Using the 41 months departure the Court granted to the investors, Luk reasonably should have received a sentence between 18-24 months.
